A passenger of at least 12 years of age may accompany a minor on condition that He/She is capable of looking after the minor during the entire trip, including check-in formalities, customs, etc.

Exceptions:

- Minors over 3 years and under 5 years of age may be accompanied by a passenger over 12 to 15 years of age provided the unaccompanied procedure is applied for both.
- The unaccompanied procedure may also be applied for young passengers from 12-17 years - inclusive- of age, on special request from the parents or appointed guardian, or in case of doubt about His/Her ability to travel alone.
- Minors below 3 years of age must always be accompanied by an adult. Accompanying adult must be at least 15 years old and be capable of looking after the minor during the entire trip, including check-in formalities and customs. If there is no adult to accompany the child, an escort hostess must be appointed and this service will be paid for.
- It is also considered an UMNR a child occupying a seat in a different cabin from that of the adult, in flights operated with more than one class of service.
- Tap staff is not authorised to look for other passengers to escort minors during the trip.
- Minors under 3 months of age are not accepted to travel.
- Minors over 3 months and under 5 years of age on request of parents/legal guardians - TAP will provide an Escort person (ESHO). An escort person may take care of more than one child but a maximum of one infant.
Several escort persons may be necessary to escort large groups.

2.1.2. TAP conditions for acceptance

UMNR are accepted to travel provided that:

- Travel arrangements including delivery of the minor to the airport and pick up at destination are made by the parents/legal guardians or their authorised representative.
- The accompanied person must stay there until the aircraft has taken off. The persons above referred must fill in and sign handling advice for UMNR.
- The entire journey is confirmed at time of ticket issuance.
- Night stops are not allowed unless parents, legal guardians have made arrangements for the minor at the layover airport to be met on arrival and escorted on departure by an adult.
- In case of an escort person the parents/legal guardians of the minor will be charged of any expenses at point of stopover or overnight stops.
- There is a limit of 11 UMNR in "Y" class and 2 UMNR in "C" class compartment.

2.1.2.1. Flight Connections

- **TAP/TAP**

Unless a person has been designated to meet the minor at the transfer station and takes care of him until he is handed over to TAP for onward travel, stopovers and/or overnight stops are not allowed.

When the minor is escorted by a TAP escort hostess his/her parents or legal guardian will be charged of any expenses at point of stopover or overnight stops.

- **TAP/Other carriers**

Stopovers and/or overnight stops will be permitted if there is a person designated to meet the minor at the transfer station and to hand him over to the receiving carrier.

- **Other carriers/TAP**

Whenever TAP acts as receiving carriers the acceptance of the minor will be considered as local. The issuance of the handling advice for UMNR can be replaced by an identical form presented by the delivering carrier as a guarantee.

2.1.3. Interline Conditions of Acceptance

Each airline has its own rules regarding the age at which they accept a child travelling unescorted. So, when making interline reservations always request the space, advising the carrying airlines that passenger is an UMNR, mentioning age and enquiring the conditions of carriage.

The air journey must not be initiated until all the participants have confirmed the space and advised the conditions of carriage.

2.1.4. Service Charges-UMNR/ YOUNG PAX

- **50EUR** for European and Domestic destinations
- **100EUR** for Intercontinental destinations

Applicable as follows:

- Per one way
- Per through flight if TAP online
- Per UMNR
- Parties of UMNR travelling together will pay one charge per each UMNR repeat per each UMNR
- Brothers/sisters travelling together will pay just one UMNR service charge.

Though paying just one service charge it's mandatory to enter SSRUMNR for both.

2.2. Escort Person

2.2.1. General Definitions

Upon request of parents or legal guardians TP can provide an escort person for minors aged between 3 Months and 05 Years (excluded).

The parents or authorized persons have to arrange the necessary travel documents for the minor.

The minor must be accompanied to the airport and assisted with the check-in and customs formalities by parent's or legal guardians or somebody authorized by them and stay at the airport until the flight leaves.

He/She must be met at the destination airport by one of the authorized persons.

A handling advice for minors must be completed and signed by the parents or authorized persons.

Special procedures and deadlines have been established in order to avoid loss of revenue to the airlines, caused by minors being no-show.

Before any booking is made, the person requesting it must be well aware of the conditions, in particular the consequences of a late cancellation, or no-show.

An escort person may take care of more than one child but a maximum of one infant.

2.2.2. Service Charges

Charge for the escort person is full applicable normal ONE WAY // OW// fare for the escorted leg, to be collected per party travelling together to the same final destination.

////////// An MDA must be issued to cover the ESHO service charge //////////

Child / infant pay 100 pct of applicable normal or special adult fare.

NOTES:

- YOW TAP fares, when existing, will apply,
- except to/from RAI/SID/OXB/MPM/TMS/LAD :
BOW class fares shall apply instead of YOW class fares
- Do not charge airport taxes for ESHO.

An MDA will be issued in the INF/CHD PNR, after the creation of the TST.

After the issuance of the MDA, its number must be inserted in the Endorsement box of the passenger TST.

Infants may not be accepted for travel within the first seven – 7 – days after birth, except as a medical case. For reasons of in-flight safety, many airlines restrict the number of infants allowed to accompany an adult.

One adult is only allowed to travel with **one infant** on TP flights. If there is **a second infant, an ESCORT PERSON** must be requested and paid for.

3. Extra Seat

3.1. Extra seat for comfort or medical reasons, bulky or fragile articles, musical instruments or diplomatic baggage

3.1.1. General Definitions

An extra seat is an unoccupied seat in front of the passenger's seat or adjacent to the passenger.

A passenger may require the use of an additional seat, for comfort, medical reasons, to carry bulky or fragile articles, musical instruments or diplomatic baggage.

3.1.2. Service Charges

- For the extra seat charge same fare and YQ as applied to passenger.
- Charge applicable for each seat occupied.
- The value charged is the fare plus YQ applicable to the routing where the passenger uses the extra seat.
- ID/AD/IT discounted fares are excluded. In such cases collect the lowest fare applicable to the routing where the passenger uses the extra seat.
- Penalty for changes also applies to the extra seat.

NOTE - If a passenger travelling on a round trip, only uses the extra seat on one segment, then the lowest available fare PLUS YQ to such **one way segment** applies.

3.2. Infant Car Seat

Infants are not allowed to occupy a seat, unless seated in an infant car-type seat.

A car-type infant seat must be placed on a regular cabin seat-front or rear facing, subject to the following conditions:

- For infants only/up to 2 years of age
- The car-type seat has to be approved for air transport by an official state department
- The base of the car-type infant seat may not exceed the dimensions of 40x40cm/ 15.7 x 15.7inches
- The infant seat must have shoulder belts for the infant.
- A window seat has to be allocated for the infant, but never in an emergency row - or row immediately in front of or immediately behind the emergency row.
- SSR CKIN has to be entered in the PNR to show that the seat is blocked for the car-type infant seat

3.2.1. Service Charges

- A regular passenger seat must be booked for the infant and an applicable child fare paid.
- The applicable child fare shall be paid and a child ticket issue accordingly.

3.3. Leg rest

Not available on TAP flights.

3.3.1. Service Charges

Book and charge extra seat. Apply same fare and YQ as for the passenger.

4. Oxygen

4.1. General Definitions

There is always oxygen on board for emergency situations.

If a passenger needs supplementary oxygen during the flight, TAP will supply it against the payment of a surcharge.

TAP medical services in Lisbon have a final decision on the acceptance of these cases. So information on - INCAD PART 2 - must be always sent via fax to 00351-21-843 63 35 or the local TAP doctor, if any.

TAP doctor will indicate on -INCAD PART 1- the frequency of flow and this information must be included in the request message to the line maintenance services.

These passengers shall be accepted under conditions specified by TAP doctor.

Oxygen is provided with a mask included and, please note, that mask has a unique size. There is no mask for children.

Passengers requiring oxygen have to be escorted except those authorized by TAP doctors and who are able to travel alone and supply the oxygen to themselves.

The crew members are not allowed to supply oxygen to the passengers.

Transportation of oxygen units provided by the passenger is not allowed.

Oxygen tents are never accepted.

4.2. Service Charge

Charges are applicable per one way:

The service charges are applicable per through flight only if travel is TAP online till final destination.

- **Domestic** Continuos Flow - EUR 150
 Non Continuos Flow - EUR 80
- **Europe** Continuos/Non Continuos Flow - EUR 170
- **Intercontinental** Continuos/Non Continuos Flow - EUR 300

An MDA should be issued.

5. Incubator

5.1. General Definitions

In such cases, the carrier provides the electricity for the on-board operation of incubators for the transportation of babies.

TAP does not provide incubators. They shall be required from local hospitals by the infant's family.

Notes:

- Infants in incubator have to be considered as medical case –MEDA. Apply procedures for medical clearance according to IDS -GMEDA -page title/ procedures for medical clearance
- The infant must be escorted by a physician or qualified person. A second escort passenger can also be accommodated next to the incubator.
- Only 1 incubator is allowed per flight. 2 infants can be accepted in the same incubator.
- Neither the flight nor the facility is allowed under waiting list.

5.2. Service Charge

TAP surcharge for incubators is:

- **4 x Full Normal Adult** "Y" Class OW Fare

NOTES:

- YOW TAP fares, when existing, will apply.
- except to/from RAI/SID/OXB/MPM/TMS/LAD :
BOW class fares shall apply instead of YOW class fares
- No fee is applicable for No-show or cancellation.
- Do not charge airport taxes for incubator.
- At some airports a special elevator vehicle is available. This vehicle should be used at no extra charge.
- Accompanying person will pay any applicable economy class fare.

An MDA should be issued.

6. Stretcher

6.1. General Definitions

- Stretchers are always installed in economy class.
- Stretcher is mandatory accompanied.
- TAP accepts injured passenger in vacuum mattress. Check details below for vacuum mattress.
- As a rule only one stretcher is installed per flight although in urgent cases a second may be considered.
- Two of the blocked seats may be used by travel companions. TAP only requires one accompanying person.
- Final confirmation to the passenger can not be given until a positive reply from LISKRTP is received concerning the confirmation of the equipment.
- INCAD doc. holding 2 Parts must be produced.
- Passenger's doctor fills in complete and accurately INCAD Part 2. Passenger or someone on his/her behalf must sign the Passengers Declaration on INCAD Part 1

Notes:

- Stretcher is considered a medical case
- The passenger must be escorted
- Stretcher requests are inventory controlled
- Mandatory seating applies -special seats on board
- Waitlist not allowed either for the facility or the flight
- 1 stretcher per aircraft - exceptionally 2 stretchers may be accepted

6.2. Service Charge

TAP surcharge for Stretcher is:

- **4 x Full Normal Adult "Y" Class OW Fare**

NOTES:

- YOW TAP fares, when existing, will apply,
- except to/from RAI/SID/OXB/MPM/TMS/LAD :
BOW class fares shall apply instead of YOW class fares
- No fee is applicable for No-show or cancellation.
- Do not charge airport taxes for STCR.
- At some airports a special elevator vehicle is available. For stretcher cases this vehicle should be used at **no extra charge**, for the passenger.
- **Passenger and accompanying person pay any applicable economy class fare.**

7. Wheel Chairs

7.1. General Definitions

Passengers with severe or total mobility incapacity normally request wheelchair which is identified as WCHC.

Most of those passengers travel accompanied. Some passengers however do state they are self-reliant to assure their own physical needs independently in flight.

Based on such passengers freedom of choice and on their own statement of self reliance, TAP accepts such passengers to travel unescorted but it is not obliged to provide them any on-board assistance that contravenes passengers statement of self reliance.

Please note that unescorted WCHC cases are still an exception and shall be considered as such. Passengers requiring WCHC who intend travel unaccompanied must be well advised of Tap's non obligation of providing them any special assistance if they decide travel unescorted.

Notes:

- WCHC is not a medical case, unless passenger's health condition requires medical approval to travel.
- WCHC facility is inventory controlled.
- Transportation includes a narrow body wheelchair or a carrying seat.
- Many incapacitated passengers are passengers with reduced mobility.
- Some want to take their own wheelchairs for travel. Some others require wheelchairs from the airport services.
- Sunday and bank holidays selling office must coordinate request with -LISRKTP
- TAP can support 3 wheelchairs:
 - **WCHR** - Passengers who can ascend and descend steps and move in the aircraft cabin, but who require a wheelchair for distance to/from aircraft.
 - **WCHS** - Passengers who cannot ascend and descend steps but who can move in the aircraft cabin. They require a wheelchair for distance to/from aircraft and must be carried up/down steps.
 - **WCHC** - Passengers who are completely immobile. They require a wheelchair to/from the aircraft and must be carried up/down the steps and to/from their seat.

7.2. Service Charge

TAP does not charge for wheelchairs.

One passenger's own wheelchair or one wheelchair supplied by TAP, a pair of crutches or a limb device, are free of charge.

At some airports a special vehicle is available. For Wheel Chairs cases this vehicle should be used at **no extra charge**, for the passenger.

At **NYC/LHR/CPH** stations, the assistance to passengers requiring WCHC is granted by private specialized staff, but no charge is collected from the passengers for such service. Only TAP is charged.

8. Blind/Deaf Passengers

8.1. General Definitions

Conditions of acceptance of seeing-eye dogs:

- Dogs transportation in the cabin or in the hold is free of charge.
- When travelling in the cabin the dog must be properly leashed and will not be permitted to move around the cabin or to occupy a seat.
- When travelling in the hold the dog must be in a container.
- Seeing-eye dog *PETC* will not be accepted on flights destination/transiting UK

8.2. Service Charge

Transportation of seeing-eye dogs in the cabin or in the hold is free of charge.

9. Lost/Stolen Tickets

9.1. General Definitions

- A lost or stolen TAP paper ticket can be replaced on *LOST/STOLEN ticket* basis provided pax signs a TAP Form. Assuming full responsibility for the fraudulent use of such lost/stolen ticket.
- TAP tickets issued for domestic travel i.e. journeys wholly within the area comprising Continental Portugal, the Azores and Madeira may not be replaced.
- TAP MCO may not also be replaced.

9.2. Service Charges

- European tickets - EUR 100.00
 - except to/from SPAIN – EUR 50.00
- Intercontinental tickets – EUR 170.00
